# INDUSTRIAL PHARMACY-I

Industrial pharmacy-I, edited by Dr. Manohar M, M. Pharm, Ph. D, Dr. Amitha Shetty, M.Pharm, Ph. D, and Dr. Akhilesh Dubey, M. Pharm, Ph. D and published by Brillion publishers and distributors, is a comprehensive book for V semester B. Pharm students. This book is updated and written in simple English to grasp the matter quickly. The current book has been written per the PCI syllabus of Industrial Pharmacy-I to keep pace with the changes in pharmacy curricula. This book provides a to-the-point comprehensive resource for B. Pharm students with pictorial and graphical representation for easy understanding of the concept. This book offers a basic concept of the manufacturing of tablets, capsules and parenteral products along with the latest advancement. The book also contains the chapters such as Preformulation and cosmetics per the current PCI syllabus. At the end of every chapter, multiple choice questions were provided to those aspiring to excel in competitive examinations. Besides this, short answers and long essay questions were also framed as a question bank for their regular examinations at the semester level.

We believe and hope that the book entitled "Industrial Pharmacy-I" shall be beneficial to undergraduate students and teachers as a ready source of the covered material in the book.
