Objective HORTICULTURE for Competitive Examinations

The book entitled “**Objective Horticulture for Competitive Examinations**” contains multiple choice questions for four disciplines of horticulture viz., Fruit Science, Vegetable Science, Floriculture and Post-Harvest Technology as per revised syllabus prescribed by the ICAR and is expected to be useful for the students preparing for AIEEA and ICAR –PG scholarship M.Sc, Ph.D admissions, ASRB, NET, SET, SAUs, SRF, IARI, HO, JRF, IBPS and other agricultural background competitive examinations. The focal objective of this book is to help the readers to quickly grasp the facts comprehensively and systematically from various branches of horticulture. The question bank has been designed as per the latest curricula and inclusion of model test papers of the last 7 years will definitely serve as valuable guide for the students.
