## Entomology Tutor

# AN OBJECTIVE ENTOMOLOGY

This book entitled “**Entomology Tutor an objective Entomology**” (volume I) which covers Insect morphology, physiology, insect nutrition and taxonomy including different orders and families. It contains 11-12 chapters and each chapter includes objective-type questions includes multiple-choice questions; fill in the blanks; statement and match the following. The purpose of this type of book is for the students who are going to compete in exams like ICAR-JRF/SRF; ARS/NET; ARO/AARO and Pre-PG examination etc., The questions have been prepared based on the syllabus of ICAR-JRF/ARS/NET. Each chapter has been prepared based on standard books and contains almost all basic and in-depth knowledge-based questions. The question model in each chapter has been prepared based on the previous question paper model of ICAR-JRF/SRF and ARS/NET examinations. The book will be fulfilling the requirements of the graduate, post-graduate students, teachers and research scientists in basic entomology as per the new syllabus.

**S. Ramesh Babu • Amit Kumar**
