# PHARMACEUTICS-I

## For Bachelor of Pharmacy (1-SEMESTER)

A Textbook of Pharmaceutics-I: Comprehensive Guide for B. Pharm Students, "The Pharmaceutics-I," edited by Dr. Manohar M, Dr. Amitha Shetty, and Dr. Akhilesh Dubey, is a comprehensive textbook tailored for first-semester B. Pharm students. This meticulously written book is designed to cater to the evolving needs of pharmacy education, aligning closely with the syllabus prescribed by the Pharmacy Council of India (PCI). With a commitment to simplicity without compromising depth, the book is written in accessible English, ensuring swift comprehension of the subject matter. The content of this textbook is meticulously updated to reflect the latest advancements and changes in pharmacy curricula, ensuring relevance and accuracy. Each chapter reaches into the fundamental concepts of pharmaceutics-I, offering a comprehensive understanding of the subject matter. After every chapter, a question bank comprising short answer and long essay questions facilitates thorough preparation for semester-level assessments. Additionally, a set of MCQs (multiple-choice questions) is provided to aid students in preparing for competitive examinations. Thus, the textbook "Pharmaceutics-I" is a valuable companion for undergraduate students and teachers, offering a readily accessible source of covered material.

With its comprehensive coverage, student-friendly language, and robust assessment tools, this book is poised to become an indispensable asset in pharmacy education.

**Manohar M | Amitha Shetty | Akhilesh Dubey**
